Setting:

Time: The Present

Place: Our little intrigue takes place in the meeting room of an old courthouse
somewhere in the Deep South.

It is an older building with faded, once-white walls.

The room gives the impression of a simpler time,
and if the walls could talk, they would do so with a charming drawl.

Set Description:

The furniture in the room is sparse.

There is a long folding table, covered with a white linen tablecloth, 6 chairs around the table. Plates,
napkins, and forks, as well as a stack of folded white table cloths are on the table.

In a corner is out-of-date patio furniture including a rollaway chaise lounge with wheels.

Many Thanks to:

Mr. Mike Lorenz for audio recording and adding sound effects.
